Dear UT Senior,

As you approach graduation, consider asking your parents for the ultimate commencement gift! The Texas Exes are offering a celebratory summer trip we call Essential Europe.

Visit Europe's must-see destinations before starting a new job or embarking on your graduate school journey. Designed specifically for new grads, this comprehensive tour of Europe has proven to be exciting and unforgettable.

Last year's new Texas Exes came home with countless wonderful memories. "This trip was amazing," said one alumnus, "I truly feel like I got a taste of everything!" Another Longhorn traveler said, "This is by far some of the most memorable and special experiences I have had in my life. It was a great opportunity to be able to travel to Europe with people my age. Sharing the common bond of UT made it even better."

The 18-day, 8-country trip, with an optional 5-day extension to Greece, is an unbeatable value for the countless experiences and European treasures you will witness.

It offers:

- Opportunity for fun, hassle-free travel with other graduates
- Insights into other people, places, and cultures that will be a source of personal enrichment
- Visit must see places and enjoy experiences that will broaden your world view and provide an advantage in today's global job market
- A vacation to remember and a reward for four years of hard work.

Your education will continue on post-graduation as education is a life-long process and what better way to learn than through travel. The Texas Exes have proudly been sponsoring trips for alumni since 1961.

Hopefully, you are able to participate in this great opportunity to see exciting new places, learn more about the European continent, relax and unwind, and continue to build lasting relationships with fellow Texas Exes. When you combine all of this, you have the ingredients for a very special experience abroad.
